

Mike Lynch

Associate Roofing

Dear Mike,

I am very pleased with the new cedar shake roof you installed on my home in Waterview Farms, Oak Bluffs, MA. I appreciated your suggestions for reworking the existing roof design as well as your recommendations for the 5/8 "Alaskan Yellow Cedar shakes for their durability. The result is a sturdy and good looking roof on my Island home.

Since I was off-island during the demo and install, I appreciated your photo updates of the progress on my property. You and your crew came in on time and on budget and left a pristine job site when finished.

Thanks again
